

Driving Directions to Churning Rapids

From Hancock:

1. Head North on M-203, passing out of west Hancock
2. Stay on M-203 for 5.8 miles
3. Turn right onto Christensen Road
4. Drive up the hill for roughly 0.5 miles until you reach the trailhead and parking area

Note: Christensen Road is not plowed in winter, so the parking area during the snowy months will be just off of M-203 rather than up the hill.

Churning Rapids connects to the Maasto Hiihto trail network owned by the City of Hancock. There are two other trailheads, located near the Public Works Garage on Tomasi Drive and near the ball fields and County Fairgrounds, both of which are available to the public. While the trails are open to all users, donations are appreciated to help keep the trails maintained. Please respect the trails and the land.
