

Driving Directions to the KLT's Six Mile Creek Nature Area

From Hancock:

1. Head South on US-41 towards Baraga
2. Continue on US-41 for around 29 miles
3. Turn Right onto Plains Cut-Off Road immediately after Baraga State Park
4. Continue for 2.4 miles until you hit a wide power line cut. Park on the shoulder.

Note: There is no direct access to the Nature Area by road. Once you make it to the power cut, follow it on foot southeast towards the Nature Area.

The center of the nature area is located around 46.744478, -88.517447. Enter these coordinates into your GPS device for guidance on where to trek.
