

Driving Directions to the KLT's Finlander Bay Nature Area

From L'Anse:

1. From US-41, head towards Downtown L'Anse via East Broad Street
2. At the 4-way stoplight, turn Right onto North Main Street. Continue through town. North Main Street will turn into Skanee Road
3. After 9.3 miles, turn Left onto Townline Road, following signs for Aura
4. Just before the pavement ends on Townline Road (4.6 miles), turn Right onto Point Abbaye Rd
5. After 10.1 miles, turn Right at the T-intersection onto McBeth Road
6. Look for KLT signs on your left in 0.25 miles. An access road will take you to the Finlander Bay shoreline.

Both Point Abbaye and McBeth Roads may be rough at times and often have muddy patches after spring snowmelt. Point Abbaye Road is only plowed for 2/3 of its length in winter and ends near KLT's Koski Shores on Keweenaw Bay Nature Area. If visiting in winter, be prepared to snowshoe or ski another ~3 miles one-way before reaching Finlander Bay.

Please do not drive your vehicle off the established driveway on the nature area. The driveway entrance is located at 46.953, -88.152. Visitors are welcome to paddle to the established rustic camping area along the shoreline, located at 46.953, -88.147. A water trail campsite sign will greet you.
