

DRIVING DIRECTIONS to Keweenaw Land Trust Lightfoot Bay Coastal Wetlands Conservation Area:

ADDRESS: 21367 Pinery Cemetery Road, Skanee MI

NOTE: Limited or no cell service at and enroute to Lightfoot — do not rely on cell phone navigation – take a paper copy of these directions with you and download map in advance

Turn off Highway US-41 to downtown L’Anse. Travel past a yellow flasher to the red flasher (4-way stop) in downtown. Turn **RIGHT** onto **MAIN STREET** -- follow up the hill and out of town - Main will become the **SKANEE ROAD**. Travel on the Skanee Road for about 16 miles to a **LEFT** turn onto **WESTROM ROAD** (road sign is faint but it is directly across from the Roland Lake Road with a better sign). Travel for about 1 ½ miles on Westrom Road and then keep going **STRAIGHT** onto **PINERY CEMETERY ROAD** (don’t follow the Lower Skanee Road as it bends right). Follow the Pinery Cemetery Road for about a mile, past the Skanee Cemetery, to a **RIGHT** on the drive into the cabins at Lightfoot marked with a wooden sign. In **WINTER** the road might not be plowed past the cemetery. No overnight parking allowed at cemetery – contact office in advance for current suggestions for winter overnight parking.
